Project Description						
To Provide nutritious cereals and fruits to children participants in our Family Journey Transitional Housing Program						
Amount Received						
\$1000.00						
How did this project make a difference in reducing childhood hunger in Arizona						
This project ensured children from our program attended school with a nutritious breakfast that provided them the ability to focus at school. It also enabled the case managers to provide nutrition education to the single moms on the importance of proper nutrition and how it impacts a child's ability to learn.						
Number of children served						
45						
Number of meals served						
1440						
Number of snacks served						
0						
Description of meals/snack served						
Nutritious breakfast cereals, fruits, yogurts, and breakfast bars.						
Description of most popular meal/snack served						
Smoothies made with fresh fruit.						
What improvement/impact was made						
This project ensured children from our program attended school with a nutritious breakfast that provided them the ability to focus at school. It also enabled the case managers to provide nutrition education to the single moms on the importance of proper nutrition and how it impacts a child's ability to learn.						
How did you measure the success of the project						
The majority of families that participated stated that teacher reports improved for their children during project.						
Will the program continue						
TMM will continue to accept generous donations from various supporters to provide nutritious food for participants in our programs.
