Project Description						
Family Connections, Mountain Park WIC, U of A Cooperative Extension, APIPA, Esperanza, Farmers Market, and St. Mary's Food bank have worked for several years providing educational classes on various health and nutrition topics and budgeting of food stamps dollars for the DES clients waiting in the lobby of FAA offices. This grant allowed us to add sack lunches for the children that wait long hours and are hungry.						
Amount Received						
\$1,000.00						
How did this project make a difference in reducing childhood hunger in Arizona						
Families are often hungry while waiting in the DES office. They sometimes sit long hours with no food or drinks available to them. This provided children with a nutritional snack lunches and drinks while they waited.						
Number of children served						
404						
Number of meals served						
404						
Number of snacks served						
404						
Description of meals/snack served						
Peanut butter and jelly sandwiches, trail mix, peanut butter crackers, fruit cups, fruit snacks, string cheese, pretzels, water, and juices.						
Description of most popular meal/snack served						
The children loved the whole meal. The string cheese seemed to be a hit though						
What improvement/impact was made						
Children that waited for hours in the DES office did not have to sit hungry.						
How did you measure the success of the project						
Our team measured the success of the project by satisfaction sheets given to the parents and by verbally talking to the children about their meals.						
Will the program continue						
No, our program has ended.						
Additional Information
